"ACCEPT NOXCUSE, ONLY RESULTS."

The spirit of this model is the name itself. When you're in competition mode, you have to go above and beyond what your competition is doing – it's the logic of winning.

To honor to all those who experience the exciting challenges in life or business, we named the serial model NOXCUSE. Once this watch is on your wrist, it will remind you – no excuse not to reach what you aim for – no excuse not to go ahead to act in order to achieve what you want.
